*†*On No. 13 (this page) and Nos. 13 and 14 (following page), the runner on first steals safely only if he has an eleven in the first column of his player card. Disregard second column 11's in these cases.

IMPORTANT: When numbers 7, 8 and/or 11 appear in the second column of a player card, they are NOT subject to the grade changes described above. When these numbers come up in the second column, treat them as though a Grade D Pitcher is pitching. This is true for all base situations.
